When the Bible is brought into Church, a piece of scripture or similar will be spoken by the person carrying the Bible. This is to help us prepare for worship and we ask that a time of quietness be observed from this point until the beginning of the service.

The Bibles are now located on the hymnbook stand in the Link. If you would like to take one to follow the readings in today's services please do so or ask the door stewards for assistance.

There is a book on the porch table for Intercessory prayers. If you have any prayers you would like included in the service, please write them clearly in the book, before 10.20am for the morning service or 6.20 for the evening service. Please ensure beforehand that the person being prayed for has given their consent. The book will then be taken into the vestry for the preacher to note.
